Thanks to the Friends for all they do for the library such as special programs, performers, materials, and for funding the new storage shed.

## Crafts Days for Kids

There will be two special Craft Days for Kids in October. The first one is on an Early Release Day on Monday, October 17th at 1:15 p.m. There may be more Duct Tape Crafts as well as a movie to watch.

The second Craft Day will be on Friday, October 29th at 1:15 p.m. There is no school. This will be

our annual Halloween Craft Day so come make some fun Halloween decorations.

This is a Friends' sponsored program and is available to kids in grades K-4. Parents and caregivers are welcome to join the fun. If you would like to volunteer to help Eliza and Carolyn, please let us know.

## Book Discussion

The Group will be reading Robert Louis Stevenson's classic, *DR. JEKYLL AND MR. HYDE* for its October selection. Published in 1886, this book was an instant success and brought Stevenson his first taste of fame. Written before Freud's naming of the ego and the id, Stevenson "demonstrates a remarkable understanding of the personality's inner conflict." This classic reminds us of the irresistibly terrifying stuff of our worst nightmares.

Pick up a copy today and come to the library on Wednesday, October 19th prepared to discuss the duality of good and evil in man's nature. Susie Wetherington will lead the discussion which begins at 7:30 p.m. This title is available on our 6 Nooks so pick one of them up and try this new technology. See you the 19th!

## Silent Auction

The Annual Friends' Silent Auction final bidding will be held on Saturday, November 12th at noon.

Items are due at the library by Friday, October 14th so Pat and Lynn can get everything ready for display. Bidding will begin on Monday, October 17th. Mark your calendars and visit us often bidding each time.

If all goes well, Carolyn will have the items on our webpage so you can browse from home. Let's make this the most successful auction yet! If you have any questions, call the library at 938-4011, Pat Sellon at 938-1527, or Lynn Witt at 938-4836. Thank you so much for your support.

The library got new computers and computer software with last year's funds.

## Library Closed

The library will be closed on Friday morning, October 21st from 9-12 so the staff can attend an Overdrive Workshop in the Monroe library. This will give us more knowledge and practice at downloading titles from Overdrive onto e-books.

Patrons are now able to download titles onto their Nooks, Kindles, and other e-book readers from home. Ask a librarian for a direction sheet.
